

# Jennie and Orion Present...

# MARKY MARK

IN FEAR

Ah, young love. When we first meet Marky Mark, we think he is cute, rough around the edges, but secretly the kind of guy we want to finger us on a rollercoaster.

And so we let him.

# And it is a LIFE CHANGING Finger Bang

Whoa!

Yeah you know it.

“

We have spent our teen years  
trying to find someone to finger  
US on a rollercoaster...and  
FINALLY WE HAVE FOUND HIM

”

The first night was pure magic. Then things start to get weird.

First, he meets Dad

Dad is not impressed.

Next he rapes our friend

She tries to run away but he is determined to continue harassing her.

He scares her even more

As if being raped wasn't bad enough?!

We know we  
should dump him

BUT DAYUMMMM  
look at those Abs!  
Plus, who else can  
finger on a  
rollercoaster like  
that? We listened to  
Wild Horses together!  
This can't be  
happening! Why,  
Marky Mark, why?!

But rape is serious, even if our friend is a slut...So we cut him off. He is not impressed...

So he comes over

And knocks on our door

And it gets even weirder

# How Much We Love Marky Mark

■ He is Hot ■ He is Scary

Even though he scares  
US...

WE DECIDE HE IS TOO HOT TO GET OVER. FOR NOW.

Then he kills our dog. He must really love us.

How Much we Love Marky Mark now that he has Killed our dog

■ He is hot ■ He is scary

We are on the  
fence about him  
now.

What happened to  
that sensitive man  
we fell for?!

# He does a sundry of other not-cool things...

He messes up daddy's car

Leaves a crude note

And scares the family

Everyone is pretty mad at us, but  
hey guys, it's not our fault...

I mean, look at  
him...

THAT MAN COULD BE AN  
UNDERWEAR MODEL!

AND HE EVEN CARVED NICOLE 4 EVA INTO HIS CHEST. ROMANTIC!!

# Besides. We are teenagers.

This is What we Care About

Finally, our Dad talks some sense into  
US

Basically, if we don't get over this guy,  
we are GROUNDED

Our feelings  
begin to  
change...

This is What we Care About NOW

And, true, we miss our dog, and don't want anyone to get raped or killed.

So...

The next time he shows up...

F being grounded

We make some calls...

Parents are so unfair

And we kill him.

Sorry loverboy, I love the mall too much.

But we will never forget that night on  
the rollercoaster....
